

10ft (3m) USB C to HDMI Cable - 4K 60Hz USB Type C to HDMI 2.0 Video Adapter Cable - Thunderbolt 3 Compatible - Laptop to HDMI Monitor/Display - DP 1.2 Alt Mode HBR2 - White

Product ID: CDP2HD3MWNL

This USB-C to HDMI adapter cable offers a convenient solution for directly connecting your DisplayPort over USB Type-C device to your HDMI monitor, television, or projector. The adapter offers a connection distance of up to 3 m (10 ft.) and works with USB-C devices that support DP Alt Mode, such as the MacBook, Chromebook Pixel and Dell XPS models 15 and 13. It's also compatible with Thunderbolt 3 ports.

While this white adapter looks great next to computers that match the look and feel of laptops like your MacBook or HP Envy, it works with any USB-C computer that supports HDMI. At 3 m (10 ft.) in length, this adapter cable delivers a direct connection that eliminates excess adapters and cabling, ensuring a tidy and professional installation.

For shorter installations, StarTech.com also offers a 1 m (3 ft.) USB-C to HDMI cable (CDP2HD1MWNL) and 2 m (6 ft.) USB-C to HDMI cable (CDP2HD2MWNL), enabling you to choose the right cable length for your custom installation needs.

At four times the resolution of high-definition 1080p, you'll be amazed at the picture quality of a 4K 60Hz monitor or television. This adapter cable lets you harness the video capabilities that are built into your USB Type-C connection, to deliver the astonishing quality of Ultra HD to your 4K display.

Plus, the adapter is still compatible with lower display resolutions, such as 1080p, which makes it a great accessory for your current home, office or other HD work environment, while future-proofing for 4K 60Hz implementation.

The CDP2HD3MWNL is backed by a 3-year StarTech.com warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Connect a USB Type-C computer to an HDMI projector or display in your classroom, auditorium or boardroom

- Install at your home workstation or office hot desk to make your USB-C computer compatible with your HDMI display

Features
