

Compact USB C to Mini DisplayPort Adapter - 8K 60Hz/4K USB-C to mDP 1.4 Video Converter w/Keychain Ring - USB Type-C DP Alt Mode (HBR3 HDR DSC) to mDP Monitor - TB3 Compatible

Product ID: CDP2MDPFC

This compact USB-C to Mini DisplayPort adapter offers an ultra-portable solution for connecting your USB Type-C laptop or device to an 8K or 4K mDP monitor or display. The adapter is equipped with a removable, quick-connect keychain ring that easily attaches to your laptop or projector bag, maximizing portability.

For added convenience, this USB-C adapter is also available with HDMI, DisplayPort or VGA outputs.

This lightweight USB-C to Mini DP adapter can easily be taken with you wherever you go. It conveniently attaches to your carrying case and is small enough to fit in your pocket, making it ideal for BYOD (Bring Your Own Device) applications at the office or road warriors who need to connect on the go.

It's the perfect solution for:

- Delivering high-resolution presentations while in the office or traveling
- Connecting your smartphone or tablet to a Mini DisplayPort monitor
- Hot-desking environments

Avoid misplacing your display adapter with the attached keychain that securely snaps to your carrying case so you can always keep it with your devices; the keychain can easily be removed or reattached to the adapter so you can customize it to your preference and need. The adapter also features a built-in 1.3" flex cable that has a folding design, adding to the compact form factor.

To ensure a hassle-free connection, this video adapter works with all your Mac and Windows USB Type-C devices and is also compatible with Thunderbolt 3. It requires no additional software or drivers, supporting true plug-and-play connectivity.

CDP2MDPFC is backed by a StarTech.com 3-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility
