

10-Pack 6ft DisplayPort to DVI Cable - DisplayPort 1.2 to DVI-D Video Adapter Cable - 1080p - Passive DP++ to DVI Monitor Converter Cable - DP to DVI Digital Display - M/M

Product ID: DP2DVIMM6X10

This 10 pack of DisplayPort to DVI cables lets you connect your DP enabled devices to DVI monitors, TVs or projectors from 6 feet (1.8 meters) away, offering a convenient, clutter-free connection. The bulk-pack option provides you with an efficient solution for multiple implementations.

This DP to DVI cable provides high bandwidth video transmissions, supporting monitor resolutions up to 1920x1200 or HDTV resolutions up to 1080p. The adapter cable takes full advantage of your DVI capable display while harnessing the video capabilities built into your DisplayPort connection to deliver every detail in stunning high-definition.

At 6 ft. (1.8 m) in length, this DVI converter cable delivers a direct connection that eliminates excess adapters and cabling, ensuring a tidy, professional installation. As well, the cable is easy to use, and requires no additional software or drivers, supporting a true plug-and-play set up.

This DisplayPort (male) to DVI (male) cable makes your DP computer fully compatible with existing DVI monitors or displays in your home or around the office. You can use the cable to either connect to a DVI display or add an additional monitor to your workstation, helping to boost your productivity.

DP2DVIMM6X10 is backed by a StarTech.com 3-year warranty and free lifetime technical support.

Note: This is a passive adapter cable that requires a DP++ port (DisplayPort++), meaning that DVI and HDMI signals can also be passed through the port.

Certifications, Reports and Compatibility

Applications

- Connect your DVI monitor to a DisplayPort equipped device using a single cable
- Add an additional display to your computer system

Features

- **PERFORMANCE:** 6ft DisplayPort 1.2 to DVI-D (DVI digital/single link) passive adapter cable connects your DP++ source to a DVI display supporting 1920x1200 or 1080p @ 60Hz, w/ EDID & DDC pass-through
- **10 PACK:** Multi-pack DP to DVI cable (DP2DVIMM6) simplifies purchasing/deployment; cost saving solution for repeat buyers w/ multiple adapters on hand it ensures quick replacement of missing cables
- **HOST COMPATIBILITY:** Passive DisplayPort to DVI adapter cable supports any source w/ DP++ connector incl. workstations, desktops (AMD/Nvidia), laptops, small form factor computers & docking stations
- **INTEGRATED VIDEO ADAPTER CABLE:** DisplayPort to DVI Cable reduces clutter, minimizes signal loss and potential failure points making it ideal for fixed workstations in your home, office or classroom
- **EASY TO USE:** Supporting a driverless plug & play setup, the DP to DVI monitor converter cable works with any OS including macOS, Windows & Linux; Male to Male DP to DVI-D cable

Hardware

Warranty	3 Years
Active or Passive Adapter	Passive
AV Input	DisplayPort
AV Output	DVI-D
Audio	No
Connector Plating	Nickel
Cable Jacket Material	PVC - Polyvinyl Chloride

Performance

Supported Resolutions	DVI: 1920x1200 / 60Hz
-----------------------	-----------------------

Connector(s)

Connector A	1 - DisplayPort (20 pin)
Connector B	1 - DVI-D (25 pin)

Special Notes / Requirements

Note	Requires DP++ (DisplayPort++) port from video card or video source.
